

## SUPERIOR INSECT CONTROL IN A MORE EFFICIENT FORMULATION

At twice the concentration and half the rate of most standard 1.0 lb formulations, Kendo® 22.8 CS delivers highly effective insect control to protect your investment.

Kendo 22.8 CS's encapsulated, concentrated formulation comes with 2.08 lbs of active ingredient per gallon for less product to manage. The result is smaller, more convenient packaging that requires less storage space and has easier container disposal.
